**Let I love the idea of being able to watch BGES's seminar and tour videos in my den and want to help you get the 350 plus lectures on line as soon as possible.**

I understand that you have a contractor working around the clock and she has completed over 100 conversions already and that this project cost has been cut in half through her efficiencies. I want to support the first phase of this effort to raise a total of \$15,000 between Facebook and BGES's Email contacts. I understand each lecture costs \$50 to convert to the format I just enjoyed and I want to help fund as many lectures as I can!

\$50= 1 lecture. \$100= 2 lectures\* \$300= one DVD containing 6 lectures\* \$500= 10 lectures\*

\$1,000= 20 lectures\*. \$3,000= 10 DVDs containing as many as 60 lectures\*\*\*
